

## Company

MECLUBE is an industrial company that manufactures lubrication equipment for every specific requirement, giving best collaboration to the customers and working to grow with them. MECLUBE is a young and dynamic company, but it has already all the know-how and the experience of qualified personnel, and its main targets are the service to the customer (especially the post-sale assistance) and the quality: it is already operating with the necessary quality standards to achieve the ISO 9001:2015 certification. MECLUBE is a constantly developing company: new products are in project to improve and facilitate the work in the automotive garages.

## Service

Our company is able to offer to all our customers items of high quality and availability. It has a modern and innovative equipment of project, a lot of machines with a huge productive potential, a wide range of stamps, manufacturing cycles, tools, test and assembly machinery. Our customers represent the most important patrimony of MECLUBE. We are convinced that people make the difference, and we are at their disposal to start a relationship of growth and innovation, always having in mind the only possible result: the best one.
